## Self-test

- Do you feel that people are speaking too soft and/or unclear?
- Do you have difficulty understanding conversations in small and/or large groups?
- Do family members complain about you having the TV and/or the radio volume too loud?
- Does someone you know suggest that you may have hearing loss?

If you answered yes to any of the above questions you should have your hearing tested.

Please visit your doctor or call us to make an appointment.

## No Doctors Referral Required

At Just Hear It, we believe that a hearing evaluation is all about you: your hearing loss, your needs and preferences and of course, your budget. We provide expert, comprehensive evaluation of hearing loss and vestibular function.

Hearing healthcare is truly a personal business and what really matters to us is working with you individually to achieve the best hearing outcome possible. Come meet us and tell us about yourself.

\*Hearing tests are complimentary for children and adults.
